To change the headers 🙌

- Go to [View] → [Slide Master]

The screenshot shows the PowerPoint ribbon with the 'View' tab selected. The 'Slide Master' icon is highlighted with a red box. A red arrow points from the 'View' tab to the 'Slide Master' icon. Below the ribbon, the 'Slide Master' view is shown. The 'Close Master' button is highlighted with a red box, and a red text label 'click close when finish' points to it. The main slide area shows the 'INTRODUCTION' header and a list of bullet points. A red text label 'change here' points to the header area. The left sidebar shows the 'Slide Master' pane with various options like 'Insert Slide Master', 'Rename', 'Master Layout', 'Insert Placeholder', 'Title', 'Footers', 'Themes', 'Colors', 'Background Styles', 'Slide Size', and 'Close Master'.
